Here is an excellent used Screen Machine Jaw Crusher. We love these Screen Machines, made in America, parts on the shelf, very simple and absolute excellent quality. It would be hard to find a cleaner and more original mobile jaw crusher at this price. This unit was well maintained, and everything works as intended. This unit is just as nice as they come for a used crusher. We can email you additional pictures, video, and factory brochures.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer fair freight rates to any end point, and financing programs if needed.

Please visit our home webpage to watch our company video and learn more about J.J. Scheckel Corporation.

Machine Price: \$288,000
