This machine is mechanically and cosmetically very good. This unit came from a good home, and has been maintained and serviced on schedule by the OEM Cat Dealer. All factory updates have been installed. Pins and bushings in the center frame, and blade are all tight with no excessive play.

As the listing states, this machine had an extensive idle time. Very low hours and actual run time.

In addition, this machine is currently getting an extensive pre sale work order at our facility, including a full Cat TA2 technical inspection of all component pressures to cat spec, we are also servicing all oils and filters on machine, along with several other pre sale procedures. Please call or email for additional information and testing documents that we can email you – this machine will be ready to go.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer Fair freight rates to any end point, and financing programs if needed. Please visit our home webpage to watch our company video and learn more about JJ Scheckel Corporation.

**Price: \$448,000**
