• ***We would consider Rent possibilities for this machine.***

This machine has just been listed, it would be hard to find a nicer one for the price, it has had excellent care, the prior Preventative maintenance program was provided by the Cat Dealer. This machine has remaining 2 year parts and labor factory Cat warranty that will transfer to the new buyer.

The Universal Rotor option this machine is equipped with, is recommended for thin, medium, and thick Asphalt Reclamation, 1” to 10” plus. Also recommended for Soil mixing and stabilization on granular, granular with rocks, and light clay applications. It is also a recommended Rotor for Surface mining, on Coal, Shale and limestone.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer Fair freight rates to any end point, and financing programs if needed.
